

30-YEAR LIFE CYLINDER

Extended Life. Extended Savings.

EXTENDED LIFE EQUALS EXTENDED SAVINGS

Keeping true to the low cost of ownership that our customers have come to expect, Scott Safety introduces another evolution in cylinder technology. The Scott Extended Life (SEL) 30-Year Life Cylinder. Designed and manufactured to comply with DOT specifications, the 30-Year Life Cylinder meets the needs and demands of all SCBA users as it provides the opportunity to extend service life beyond that of a traditional carbon composite cylinder. For a product solution that delivers “on all cylinders,” the new Scott Extended Life (SEL) 30-Year Cylinder offers extended savings for your budgetary needs.

PRODUCT HIGHLIGHTS

- Up to a 30-year life expectancy for extended savings
- 30-minute, 45-minute, and 60-minute durations
- Lightweight, composite cylinder construction
- Compatible with existing truck seats and brackets

30-YEAR LIFE CYLINDER

Extended Life. Extended Savings.

The introduction of this range reinforces the commitment of Scott Safety to provide our customers with a selection of products that allows them to select the option that provides the best value across the life of their product.

30-YEAR LIFE CARBON CYLINDER SPECIFICATIONS
