

DEX-PRO GLOVES

Get a broken-in feel right out of the bag with a 3D, innovative design that delivers maximum dexterity, extreme durability, and superior protection.

With 60+ TPP and two layers of thermal lining that extend down the fingers, the Dex-Pro provides nearly **4 times** the NFPA requirement for heat protection and is the highest level of heat protection of any current NFPA-certified glove.

Certified to NFPA 1971
